

Nehemiah – Leadership Principles

Lesson 6 – Stability

Class Study

Every individual and organization needs stability. Then actions can lead to productive outcomes. The people who had returned from Babylon had moved away from Jerusalem because it lacked protection. Now that Jerusalem was secure they could come back to property that had belonged to their ancestors.

1. 7:1-3
 - a. What some steps Nehemiah took to bring about some stability?

 - b. What are some leadership principles that he is applying?

2. 7:4-5
