

## **WORSHIP**

### **Prayer of Thanks**

Once again we express our appreciation to our gracious God for giving us this Holy Meal through Jesus Christ our Lord and Savior.

A choice is provided. The first prayer thanks God because he has refreshed us by his gift. The second thanks God for the pardon and peace given in the sacrament.

These prayers clearly state the benefits faith receives in the Lord's Supper. Here God prepares us for life, giving us love to share with one another and peace to rule our lives.
