Prayers of the Church

In these prayers, God's redeemed people pray first for the spiritual concerns, that God's Spirit may work among them and everywhere Christians gather.

Next, because they know Christ, Christians pray for the world.

The follows the "special concerns" section of the Prayers of the church. In it, we pray for those who are ill or hospitalized or in life-threatening situations. Prayers are offered for families that are suffering the loss of a loved one.

This time of prayer may use a response pattern that allows everyone present to participate. The pastor begins with an invitation to pray and then speaks the individual intercessions. The congregation is invited to respond, indicating that they too are praying the words of the pastor.
