

## Answering Machine

What if God had an answering Machine?" Imagine praying, then hearing this: "Thank you for calling My Father's House. Please press 1 for a request. Press 2 for a thanksgiving. Press 3 to complain. For all other inquiries, press 4." So I press 1 and I hear: "We're sorry. Due to heavier than expected volume we are unable to make a connection with God; please try again later. Your business is important to us."

Thank God we can call on him anytime, and the line is never busy. God takes each call personally, and we will never be put on "hold"! Best of all, God often calls on us. Call him early and often.
