

Deep Wisdom

The Apostle Paul has been marveling at the wealth of God's grace and glory and the wisdom of his purposeful actions to save us. Paul sings a great doxology to that deep wisdom when he says: *"Oh, the depth of the riches of the wisdom and knowledge of God! How unsearchable his judgments, and his paths beyond tracing out! "Who has known the mind of the Lord? Or who has been his counselor?"* It is a wisdom that we can not fathom but are deeply thankful to know that he has saved us. In appreciation we join Paul in saying: *"To him be the glory forever! Amen."*
